Hiring Manager
Google

Dear Hiring Manager,

I am writing to express my strong interest in the Senior Software Engineer position at Google. After reviewing the job description, I am excited about the opportunity to contribute to your team and believe my background aligns well with your requirements.

- I developed and maintained Python applications serving 10,000+ users daily, demonstrating strong Python programming skills
- I led a team of 4 developers in implementing microservices architecture using Docker and Kubernetes, directly matching your requirements
- I improved system performance by 40% through database optimization including PostgreSQL, aligning with your database needs
- I built REST APIs using FastAPI handling 1M+ requests per day, showcasing experience with large-scale distributed systems

I am particularly drawn to Google because of your reputation for innovation and excellence. I would welcome the opportunity to discuss how my experience and passion can contribute to your team's continued success.

Thank you for considering my application. I look forward to hearing from you soon.

Sincerely,
